NARBERTH, PA., SATURDAY, SEPTEMBER 13, 1924

PRICE THREE CENTS

Narberth Nine Vanquished by Bala-Cynwyd

Play Off Series for League Title Begins Today--Win in Twilight Game

The backwash from the bleachers was not the least of the variety of reasons which spelt Narberth's defeat in the game on the home grounds last Saturday, which was calculated to cinch the championship of the Main Line League for the Borough boys. It was not always thus in this town. Throughout the years our local teams have acquired a reputation for fighting to the last ditch, clean and clear, and never has it been recorded that they played into the hands of the enemy, nor connived to scheme their games away. The prestige of the generations, however, was apparently of little avail on this occasion, as it was obvious that a deep-seated conviction possessed the crowd that Narberth was not out to win and that a diabolical plan had been hatched to assure the necessity of playing three games with the extra revenue incidental thereto. All querulous and contentious chatter, and far from that kind of a square deal to which the lads who have held our emblem high are entitled. The mob philosophy, as it slopped itself over the field, had its natural effect on the players, and that, added to the other handicaps which beset the team, produced a brand of baseball which was away below our usual par. Nevertheless, we are going to win that pennant and this Saturday will witness the first of two victories which we need to accomplish that very thing. Let everybody plan to be on hand and thus make the amende honorable which is so very much in order.

Bobbie Gibson was not there. Illness in his family had called him to the shore. The team had counted on him. All the plans were made with him in mind. Bill Kane was used in the emergency. It was the first time he had pitched this year. It was a stiff order for the season's biggest fray. The men behind him were hopeful, but could not be sure. That first inning showed they were on edge. Three runs came over. That put the game on ice for Bala-Cynwyd. Narberth simply could not recover. Hits would not come when they were needed. Only occasionally was there a flash of the old-time stuff. In the second we went out with three on base. In the fourth we were left with two on base. Dick Odiorne popped a slick one to short centre which looked good, but it was gobbled up. In the fifth we were retired on strike-outs. That man Vockel put 12 down that way. Charlie Townsend contributed 25 per cent. of the sum-total. He still had his sea legs with him. When a man's been fed up with horizons and such like things for a week, it takes more than a few hours to make him see anything as small as an in-shoot. Watch him square himself this big Saturday. On free gifts both pitchers were even. The difference was that Bill Kane gave his away in clusters. They cost at least one run. In the ninth it started to look like a garrison finish. One run was in, two out, and a man on second and third. (Continued on Second Page)

BIG DOINGS FOR FAIR

'Tis Rumored "Miss America" May Be Present.

Now that the dates have been fixed and the Prince notified of them, interest now turns to the other varied attractions that will be in evidence this year and needless to say, there will be many new and startling ones. The prizes are a surprise in themselves. The club, in its desire to make each fair better than the last, has decided this year to put up ten grand prizes, headed by a wonderful radio set valued at \$750 guaranteed to get the Pacific Coast any time the switch is turned on. This alone would be worth trying for but there are nine other awards to be made. All particulars in regard to these can be got from any member of the club.

Next will be the surprises on the booths, many new articles being considered, including the most wonderful line of toy battleships that the kids have ever seen, made specially for the Country Fair and not sold anywhere on the market. These battleships are complete in every detail and exact replicas of Uncle Sam's best. The kids are being considered in many other ways but announcement of these at this time would be rather premature and must be left over for another week.

Arrangements are also being made for dancing, so the old boys who fancy themselves will have the opportunity of getting into step for the winter frolics.

It is also being rumored that "Miss America" will be present but the Sphinx has nothing on the club officials when questioned on the subject, though it can be definitely stated that something is brewing and the best guess is that the aforementioned beauty will look the fair over. By the way, why not a Miss Narberth next year? Doc Howard thinks any one of many could beat the field, and he ought to be a judge, not having missed a pageant yet.

The side shows will be more varied than ever. Duck, the Dancing Duke, is practicing daily and many feminine hearts will be patting the moment they see this wonder. Some will be lucky enough to be invited to be his partners.

MAIN LINE ORCHESTRA

To Rehearse Next Week.

Notice is being sent to members of the Main Line Orchestra for the first rehearsal of the season to be held in St. Mary's Church, Ardmore, on Thursday night, September 18.

The Main Line Orchestra Association has stated that some vacancies exist in the orchestra and these will be filled as soon as possible by personal application. Anyone wishing to play in the orchestra and who has had musical experience should appear at the first rehearsal, ready to play.

The object of the Main Line Orchestra is the development of community musical appreciation rather than professionalism, for which reason, membership is based on the ability to play a needed instrument and a serious desire to uphold the ideals of the orchestra. No fee is attached to membership nor is there remuneration to be derived from it.

In discussing future plans, Mr. Adolph Vogel, conductor, stated that from present indications this, the third year of the orchestra, would be the most successful it has yet had. An enlarged and more experienced personnel makes it possible for him to present programs for the coming concerts of greater musical interest, including a movement from a symphony at each one.

Albert J. Becker Appointed.

Albert J. Becker, 212 Forrest avenue, Narberth, Pa., has been appointed a member of the Advisory Committee in charge of the Knights of Columbus Reception, to be given in the Academy of Music on the evening of October 13 in celebration of the four hundred and thirty-second anniversary of the discovery of America. James E. Dougherty, of Haverford, has been appointed a member of the Floor Committee.

A feature of this year's celebration will be a musical and dramatic pageant, "Columbus," in which 600 costumed characters will re-enact the principal events of the discovery. John J. Clark, pageant director, is conducting rehearsals each evening. A choir of 200 voices will provide music typical of the fifteenth century.

Please renew promptly.

HUNDREDS TO ATTEND

With fine weather today, the baseball game will no doubt be a gala occasion, as Bala-Cynwyd is said to have arranged for a delegation running into the hundreds and there is every reason why Narberth citizens should turn out en masse. The number of women who have joined the corps of rooters is of particular interest.

"Mickey" Burns will once again be behind the plate for the Narberth in the afternoon's pennant play-off.

The report indicates a number of baseball notables will be on hand at the home grounds this afternoon, as the Narberth-Bala game is a subject of widespread interest.

JUNIORS PLAN FOR YEAR

To Start Membership Drive Soon.

A meeting of the Executive Board of the Junior Community Club was called by the President, Margaret Eyre, at her home, September 9. Plans were discussed for the coming year.

The first meeting is planned for October 7. The place will be announced later. In the meantime we are going to have a membership drive, so if you know of any new girls in town get in touch with Lillian Compton, Membership Chairman, or if you are a stranger we would be glad to see you at the first meeting and make your acquaintance. A very good program is promised for the first meeting, so members come out and bring a prospective member.

On Tuesday, October 14, the juniors are invited to attend the convention of Junior Clubs at the New Century Club, Philadelphia. Dinner will be served at \$1.25 per plate. There will also be music and a conference in which the clubs will participate. Several Narberth girls are to take part in the musical program. Any girls wishing to go to the dinner kindly send in your name to Margaret Eyre before October 7.

October 21 the club will have an open meeting for the women of the town. This will be known as a Citizenship party, with political speeches. Watch "Our Town" for further information.

WANT BOYS FOR CHOIR

The choirmaster at All Saints' P. E. Church, Wynnewood, will be at the parish house, Tuesday, September 16, from 3 P. M. until 5.30, and will be glad to have any applicants for the choir for this season.

The boys are paid a nominal sum for their services in the church service and receive splendid training in voice placement. The advantages boys acquire in their experiences as choristers is one worth while, as can be readily vouched for by singers who have profited by the same.

Phone for appointment. Narberth 2261. Mr. Spratt.

Lutherans in Stone Laying

Church Notables Speak at the Ceremony

The Holy Trinity Evangelical Lutheran congregation with their pastor, Rev. M. E. McLinn, officiating, laid the cornerstone of their new church building with impressive and inspiring ceremonies last Sunday at 3.30 P. M.

The ceremonies began with an opening prayer, offered by Rev. H. C. Shindle, a retired pastor, who is a member of the congregation, and the Forty-sixth Psalm was read by Rev. A. C. Kansinger, of St. Paul's Lutheran Church, Ardmore, Pa.

The principal address of the afternoon was made by Rev. A. Pohlman, D. D., of Temple Lutheran Church, Philadelphia, whose message was delivered in his usual forceful manner. The ceremony was completed with some words of encouragement and inspiration from Dr. S. D. Daugherty, Superintendent of Missions of the Eastern Pennsylvania Synod, who, in his official capacity, organized the congregation late in 1921, and who acted as its pastor until January, 1923, when Rev. McLinn assumed the duties of the pastorate.

A short address was delivered by Rev. C. P. Swank, D. D., of Melhorn, an editor of the "Lutheran," rendered most effectively, "The Heavens Are Telling" from "The Creation" (Haydn) and Miss Jean Allen, a well-known contralto, sang "How Lovely Are Thy Dwellings."

The following articles were placed in the cornerstone: a history of the congregation, prepared by the secretary, H. E. Metius; prayers by the pastor and the superintendent of the Sunday School, John C. Van Newkirk; a Bible by the assistant superintendent, Miss Georgiana G. Hoffman; a financial report of the church by M. R. Mackell, treasurer; materials concerning the church prepared by various officers, including Miss Anna Klenk, Mrs. P. B. Krout, Mrs. Ida Chambley, Mrs. J. D. Rentschler and Miss Ruth B. Hoffman; a Luther anniversary medal given by George Williamson and also copies of the Philadelphia Public Ledger, the Lutheran and "Our Town," containing announcements of the cornerstone laying, and contributed by Louis Frank.

Take Store Fight to Court

Legality of Zoning Law May be Tested

The long fight of the borough officials with the American Stores Company to prevent erection of a chain grocery on the corner of Narberth and Sabine avenues, in the heart of the residential district, will be carried into Court as the result of a writ of mandamus secured by the company against Building Inspector H. Taylor Darlington and Fire Chief Charles D. Noel in Norristown last Wednesday.

The new zoning law, passed last Spring, will also be given its first legal test, as this law forbids the erection of a store in a neighborhood such as the one in which the American people are trying to locate.

The writ was granted in response to a petition filed by Attorneys Larzelere, Wright and Larzelere in behalf of the American Stores Company commanding the fire chief and building inspector to act upon plans and specifications for the projected store which the complainant declares they failed to do.

Though the writ was issued a week ago, no notice of it has yet been served upon Messrs. Noel and Darlington. Until officially notified Burgess Carl B. Metzger and President of Council W. R. D. Hall refuse to comment on the latest move of the chain company.

The scrap of the borough officials with the stores company dates back half a year when it first became known that the firm intended building a store in the heart of the residential district. The matter was first taken up by infuriated neighbors with Mr. Robinson, of Merion, head of American Stores chain, but the refused to interfere.

A petition was then circulated by the Narberth Civic Association and 700 residents signed their names to a statement vigorously condemning the project. This was presented to the Borough Council, which acceded to the request of the petitioners and instructed its building department to take action.

(Continued on Second Page)

607 ENROLL

The schools of the Borough opened Monday with a heavy enrollment. At the close of school Wednesday 607 pupils had registered. This figure will be augmented by a considerable number who will return to their studies later. All members of the teaching force were on hand with the exception of Miss Frances E. Fluck, who is recovering from an operation.

EPWORTH LEAGUE

Gets Off to Flying Start.

The Epworth League of the Methodist Church got off on a flying start this fall.

The officers elected at the end of last spring, before the league closed for the summer, were as follows: C. Roy Smith, president; Miss M. Aletha Lamb, first vice president; Miss C. Fern Reger, second vice president; Miss Violet M. Bowman, third vice president; Miss C. Eleanor Ward, fourth vice president; Mr. Edward F. Purring, secretary; Harold L. Reiss, financial secretary, and Harold S. Koup, treasurer.

On Monday, August 18, 1924, Dorothy Chalfant, Aletha Lamb, Edith Maltby, Edward Purring, Fern Reger, Harold Reiss and C. Roy Smith went to Millersville, Pa., and attended the Epworth League Institute. They were joined on Thursday, August 21, by Eleanor Ward. The institute closed the following Monday, the 25th. After this week of spiritual help as well as a week of fun the league held a peach festival, which was a great success, everyone having a good time as well as getting filled with good ice cream, peaches and home-made cake. Last Sunday, the 7th, the league held their first devotional meeting of the fall season. It was well attended by 17 of the leaguers and their friends. The topic for the evening was the "Findings" of Institute. Taking in outline form what each league should do and have during the year, C. Roy Smith reported on the league's business affairs.

Aletha Lamb told the requirements of first department, which is the devotional department. The second or stewardship and mission department was outlined by Fern Reger, third department or citizenship and community service was outlined by Dorothy Chalfant, fourth department of recreation and culture department was outlined by Eleanor Ward. Junior methods were reported on by Edith Maltby. Everyone left with the idea that the week at institute was indeed well spent. Last Friday evening the league hiked out in the country and held a corn roast which was well attended and everyone having a good time.

WOOD-HARSCH

The marriage of Miss Elizabeth Dorothea Harsch, daughter of Mr. and Mrs. Carl C. Entenmann, of Narberth, to Mr. James Donald Ivar Wood, son of General and Mrs. John P. Wood, of 234 Walnut avenue, was solemnized in St. Paul's Church, Ardmore, Saturday afternoon, at 4 o'clock, in the presence of a large circle of relatives and friends. Rev. Albert C. Kanzinger performed the ceremony.

Miss Harsch, who was given in marriage by her brother, Mr. William F. Harsch, was gownned in ivory satin, trimmed with pearls. Her veil was held in place with orange blossoms and she carried a shower bouquet of bride's roses and lilies of the valley.

Miss Mildred Mann acted as maid of honor and wore a dress of yellow taffeta, with a brown tulle hat trimmed with flowers. She carried yellow roses and delphiniums.

The bridesmaids were Miss Dorothy Mildred Bough, of Norwood, and Miss Mildred Adele Strunk, of Bangor. They wore blue taffeta, with hats the same as the maid of honor and carried yellow roses, arranged with orange flowers.

Mr. Wood was attended by his brother, Mr. Ralph V. H. Wood, who acted as best man, while the ushers were Mr. Penman J. Wood, Mr. Robert A. Wood, brothers of the bridegroom; Mr. Fred H. Harsch, brother of the bride, Mr. Charles E. Alexander, Mr. Alexander Schultz and Mr. John H. Scherr.

Council Finds Boro Short of Funds

Tardy Payment of Taxes is Given as Cause

The borough government of Narberth will have to be run on borrowed funds for a period of a slightly over two weeks. The borough is almost "broke" as far as immediate funds are concerned and needs money to pay salaries and other contingent expenses. This was revealed at monthly meeting of the Council held in the Borough Hall, Monday night.

Seven careworn councilmen, gathering to solve perplexing questions incidental to running a town government in economical fashion, were given this additional problem to worry them, and taxes they were informed were the cause of the new dilemma.

Bills for the property taxes due on October 1, were sent out long ago, but the response of the taxpayers has been slow. So dilatory have they been in paying that hardly enough funds to meet contingent expenses have been collected and the money on hand for such purposes has been practically exhausted. Therefore, at the meeting Monday, the Council was faced with the two undesirable alternative: of probably not paying its expenses for the next two weeks or else borrowing money to do so.

Various ways and means of meeting the emergency were discussed at length but finally a resolution for a temporary loan of \$1000 was passed. The money will be secured from the Merion Title and Trust Company.

Councilmen were at loss to account for the unprecedented slow rate at which taxes were being paid. Usually there is a heavy payment early in the month of September. This was taken into account in appropriating funds for the running of the borough during this month, and when taxes failed to come in as rapidly as expected the usual shortage occurred.

Citizens are urged to pay their taxes promptly, not only because of the fact that the longer they take to pay, the larger an interest will the borough have to pay for its borrowed capital, but also because a penalty of five per cent. is inflicted on taxes that remain unpaid after October 1, the end of the fiscal year.

The borough tax bills were sent out weeks ago. They include in addition to the borough tax the school tax. County taxes were not billed as they are paid separately to Norristown.

Further discussion arose in the Council when problem of ash and rubbish collection was brought up. Narberth has no public dump within its limits and consequently made arrangements some time ago to dispose of its rubbish in a Lower Merion Township dump located near West Manayunk.

The distance of this dump makes the usual hauling by horse and wagon both inefficient and expensive. Hauling by truck was decided at a previous meeting as the only solution to the problem and advertisements were ordered for bids for first the rental of a truck and then the purchase of one.

Five bids on renting were submitted Monday and four on the price of a truck. The Autocar, the Mack and the White truck people submitted bids for new trucks, ranging from \$4000 to \$6000. Three bids on re-built trucks, ranging from \$1500 to \$2000, were received and rental bids went from \$90 to \$100 a week.

Final decision on whether the purchasing of a new truck or an old one, or whether rental would be the cheapest was left to Councilman Walton M. Wentz, head of the Highway Committee, and his associates, consisting of Mr. H. W. Brown and Mr. Daniel Leitch. Mr. William J. Henderson was added to the committee to give special advice on trucks.

Chairman Wentz reported for the Highway Committee in writing that his department is practically through with its street improvement work. One stretch of street, Narberth, is now being repaved.

COUNCIL MEETING

(Continued from Page One)

bert avenue, up the hill from Haverford avenue to the railroad bridge will be finished in a few days. It is being given a rough surface of stone which will be bound and finished off with tar. The stones will be allowed to protrude in order to give cars going up the hill a better hold on rainy and slippery weather days.

A deed dedicating Shirley road to the Borough was received from the property owners of that thoroughfare. It was referred to Solicitor Fletcher W. Stites for approval as to form and incorporation into an ordinance of acceptance. Shirley road was first a part of a private realty development, but was opened this summer and surfaced in permanent form.

Two ordinances placing the request of the Council for authority to increase the bonded indebtedness of the Borough to \$100,000, on the ballots for next election day, November 4, were passed on third and final reading. The first of these asks approval for a bond issue to cover street improvements. The other seeks sanction of a loan of \$25,000 for the purpose of erecting a borough building on the Narberth playgrounds and for the grading and equipment of the playground.

STORES FIGHT IN COURT

(Continued from Page One)

ing inspector and fire chief to refuse to issue the customary permits to the store company when they made application for them.

The temporary action was reinforced later in the spring when a zoning law specifically forbidding stores in a residential section was put through the Borough Council. This last step makes the Court action of the American Stores people one of extreme importance. Residents are keenly interested in knowing if the zoning law is water-tight and proof against legal attack or whether it will be declared illegal as was done in Nutley, N. J., when that select suburb attempted to enforce a zoning law.

In view of the organized movement on foot to introduce zoning in Lower Merion township, the outcome is also of widespread interest outside of the borough.

HOLY TRINITY LUTHERAN CHURCH

M. E. M. Linn, Pastor.

Regular services September 14, 1924.

Sunday School.
Preaching Service—11 A. M.
Evening Worship and preaching—8 P. M.

Morning subject—"Jesus Welcomes the Comer."
Evening subject—"Abraham."
All are welcome to these services.

We want a good attendance. Begin right.

On last Sunday the cornerstone laying of the new church was a pronounced success; the ceremony of placing the stone in its box, the fine singing, the strong speaking, the splendid attendance, the large offering and the character of the assembly all gave promise of the very best future for the Lutheran Church of Narberth, and it needs only the faithfulness and zeal of the congregation to realize it.

Mr and Mrs. Robert Ferguson, Sr., and daughter have returned home from a month's stay at Ocean City.

BASEBALL

(Continued from Page One)

A good clout would have tied the score, but, alas and alack, it did not come. Harvey Humphries had gone to bed for a week before 9 o'clock just to be in fine fettle, and the best he got out of it all was to be three-quarters home when the curtain went down. John Dickie was the only one of our tribe to get two hits.

Epper Yowell's two outs were both splendid catches. George Fleck's work behind the bat was top-notch and Dick Odiorne was wide awake every minute. The spectacular stop of Quaille's, of Bala-Cynwyd, gave a thrill to the onlookers. It was the kind that makes history.

The score:

BALA-CYNWYD		R.	H.	O.	A.	E.

The FIRESIDE

Thomas Edward Manning is spending three weeks at Cape May, N. J. Tom expects to enter the University of Pennsylvania this fall.

The Misses Jean and Eleanor Fittipoldi, of Merion avenue, spent last week-end at Washington, D. C.

Mrs. George Cook and her two daughters are spending the month at Ocean City, N. J.

Mrs. J. B. MacKenzie and family, of Narbrook road, are spending the month of September in Allentown.

Miss Grace E. Chandlee, of Washington, D. C., is a guest at the home of Mrs. W. R. Boryer, on Merion avenue.

Bobbie Collins, Jr., son of Mr. and Mrs. Robert Collins, of Chestnut avenue, celebrated his sixth birthday this week. Eighteen friends were present at his party.

Mrs. George Moore and family are spending two weeks at Charlmont, Mass.

Mr. and Mrs. James Hagerty, of Merion avenue, have returned from a two weeks' visit to Pittsburgh, Pa.

Mr. and Mrs. E. Talmquist have returned from their home in Marshfield, Mass., where they spent the summer.

Mrs. H. M. Berry, of Narbrook road, and family are spending some time in Maine.

Mrs. C. M. McCracken and her two daughters, Anna and Helen, have returned from their home in Indiana county, Pa., where they stayed during the summer.

Mr. A. E. Wohler is attending a nurserymen's convention in New York this week.

Miss Gertrude Ross, of Elm avenue, has been appointed secretary to Township Superintendent of Schools S. E. Downs. Miss Ross graduated from Mt. Holyoke last June.

Miss Ethel E. Shaw is visiting in

New York City. She expects to enter the Teachers' College at Columbia University later in the month.

Mr. and Mrs. Howard Hamer are receiving congratulations upon the birth of a daughter in the Bryn Mawr Hospital on Tuesday, September 9. The baby is a granddaughter of Mrs. H. T. Hamer, of 28 Avon road.

Mrs. W. Burton Piersol and son, George have returned from a three months' vacation at Boothbay Harbor, Maine.

Mrs. James B. Smith entertained her mother, Mrs. Hallman, of Brooklyn, N. Y., during the week.

Miss Grace Houston has returned from Groton, Long Point, Conn., where she spent the summer. On her way home she spent several days in New York city.

Miss Dorothy Sherman, a graduate of Lower Merion High School last June, plans to enter the West Chester Normal School when it opens on Tuesday.

Miss Marion Humes, who spent the summer with her family at the shore, has returned to resume her studies at Lower Merion High. In the absence of her family she is staying with Miss Elizabeth England.

Mr. and Mrs. H. G. Reeves and their daughter, Susan, have returned from a motor trip through the Catskills and New England.

Dr. Clarence Saries, of Narberth and Windsor avenue, has returned and resumed his practice here after a summer in Easton, Me.

Mr. and Mrs. James A. Scott have returned from a motor trip through New England. They will occupy their new home on Woodside avenue on Monday.

Mr. Walton M. Wentz was away over the week-end on a business trip. He went to Washington, D. C., then to Winchester, Virginia, and then up the Cumberland Valley to Chambersburg, where he visited J. W. Fair and family, formerly of Narberth.

Miss Helen Priestly, of Narberth, and Mr. Francis Brodhead, of Kimberton, were granted a marriage license in Norristown last Wednesday.

Miss Eleanor McKeown, of Narberth, and Mr. William J. Sherry, of 1139 South Fifth street, Philadelphia, were granted a marriage license in Philadelphia on Monday.

THE PRESBYTERIAN CHURCH
Rev. John Van Ness, Minister.
Meetings for tomorrow:

9:45 A. M.—Bible School. A place and a welcome for all.

11:00 A. M.—Morning Worship. In connection with the celebration of "Defense Day," Mr. Van Ness will preach on the theme: "The Mobilization of Moral Forces for the Defense of Our Country."

7:45 P. M.—Evening Worship. Sermon theme: "The Compensation of Discipleship."

Mid-week prayer meeting next Wednesday at 8 P. M. Subject for consideration: "The Ministry of Angles."

At a recent business meeting of the Men's Bible Class plans were made for an outing to Valley Forge for the members of the class and their friends on Saturday next, September 20. It was also decided to hold the session of the class, beginning on September 21, immediately after the morning worship. This will enable the class to use the large lecture room and give many advantages over the cramped quarters now occupied. All men of the community not attached to other classes are invited to attend this progressive Bible Class. The meeting tomorrow, September 14, is at 9:45 A. M.; on September 21, at about 12:20 noon. The Women's Bible Class will hold an important business meeting next Thursday, at 3 P. M., at the home of the president, Mrs. J. R. Aiken, 123 Elmwood avenue.

CO-OPERATIVE BUSINESS EDUCATION

An Unusual Opportunity for the Ambitious High School Graduate

The Co-operative student earns a good part of his expenses while in College.

He learns the principles of successful business in the most direct and logical way, working alternately in college and in the modern business office.

During the past twenty years more than eighteen universities and colleges have adopted Co-operative Education.

Drexel is serving the Philadelphia territory with fast increasing success by concentrating on this distinctive type of training.

DO YOU NEED A NEW ROOF?

Genasco Latite Shingles
Weather all Weather

Genasco Quality

The Sealbac

A trade name in itself has little or no value. It is the company and the product back of a name that give a name significance.

Behind Genasco—the name for asphaltic protective products—stands The Barber Asphalt Company, founder of the modern asphalt street paving industry and the world's largest miner, refiner and distributor of native lake asphalts.

Five million dollars were spent by us in perfecting the products now sold under the Genasco Trademark. Forty years of laboratory and service tests entered into their perfection. No product has been added to the Genasco line until proven worthy of the name.

The famous "Sealbac" feature originated by this company is incorporated in Genasco Latite Shingles.

A heavy coating of asphalt is placed on the under side of the shingles. This not only assists in the closer adhesion of the layers of shingles, but protects the body of the shingle from the effects of condensation underneath.

GENASCO LATITE SHINGLES
RESIST FIRE

Their slate surface cannot be ignited by sparks or falling embers. Heat from interior fires only tends to soften the shingles and make them adhere to each other, excluding all air and causing them to act as a blanket to smother the flames.

Genasco Latite Locks On and Can't Curl

By the simple, patent key device, which is in reality just a straight piece of metal at the shingle butt, Genasco Latite Shingles lock to each other and form an interlocking, locked-on-roof. No amount of wind or weather can pry them apart. No amount of temperature changes can make them warp or curl. The wind can't blow them up—they are locked on.

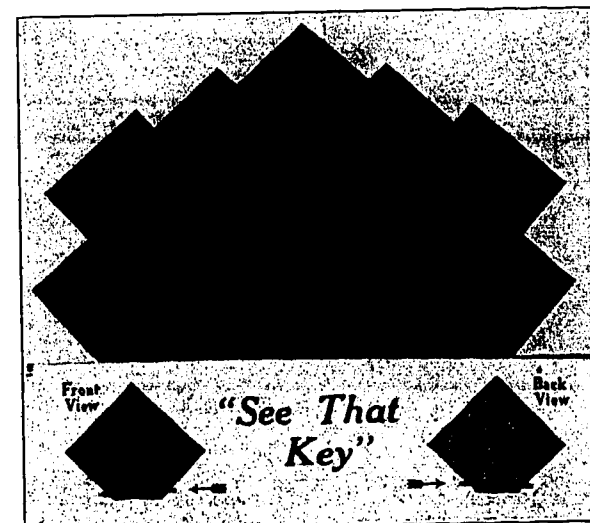

They lay tight and stay tight.

Genasco Latite Shingles are made with Trinidad Lake Asphalt Cement. Trinidad Lake Asphalt is Nature's greatest wear, weather and water resistant—made by Nature.

THE SHADOW LINE

Architectural beauty is only one of the important and inherent qualities of the Genasco Latite Shingle.

The double thick butts of Genasco Latite Shingles give to the completed roof a depth of texture which entirely dispels the flat appearance of the ordinary asphalt shingle roof. This depth forms what architects call the shadow line.

Hexagonal in shape, the finished honeycomb design of a Genasco Latite Shingle roof is similar to many other forms of shingles, but costs about one-half as much. In addition, the color of Genasco Latite is brighter and more artistic. The surface is granulated natural red, green or blue-black slate, which will not fade or change its color.

FOR RE-SURFACING OLD ROOFS

Genasco Latite Shingles can be laid directly over a roof of old, worn out wooden shingles.

There is no need to rip off the cracked, twisted shingles; no necessity of littering the lawn and walks with splinters and broken nails.

Because of their distinctive design and the Key, Genasco Latite shingles lock as securely into place on top of old shingles as they do on a new, smooth roof surface. The double thick butts, with their pleasing shadow line, conceal the irregularities of the surface.

They transform an unattractive, apparently run down home into one that radiates comfort and attractiveness.

The saving to the owner of the building is considerable, since the cost of labor is greatly reduced.

Leaving the old roof in place not only protects the house from storms which may occur while the new roof is being applied, but it makes a warmer house in winter and a cooler house in summer. It checks the filtering of dust into the upper story of the house during the operation.

Let Us Give You an Estimate
